

Steeledale Mesh

Reinforcing the Mining, Agricultural and Fencing Industries

Introduction

Steeledale Mesh

GROWTH, UNITY, MESH

As a leader in the South African steel industry, Steeledale Mesh prides itself on having a dedicated team of passionate professionals committed to our mutual success.

Decades of experience have given us the tools we need to build lasting relationships with our clients. Taking their needs into consideration and supplying the best possible solution equals success for all.

Steeledale Mesh's innovative product solutions, and unsurpassed service delivery, proven over many years, allow us to forge lasting connections within the communities in which we work.

OUR VISION

To be a diversified, market-leading partner of choice for mesh-related products to the industries we supply as well as the home enthusiast.

OUR VALUES

Growth

We're committed to growing our business, and our employees as people.

Respect

We treat our customers and our teams with respect while doing business.

Entrepreneurship

We continuously change and reinvent business; and we embrace people with an attitude of entrepreneurship.

Attitude

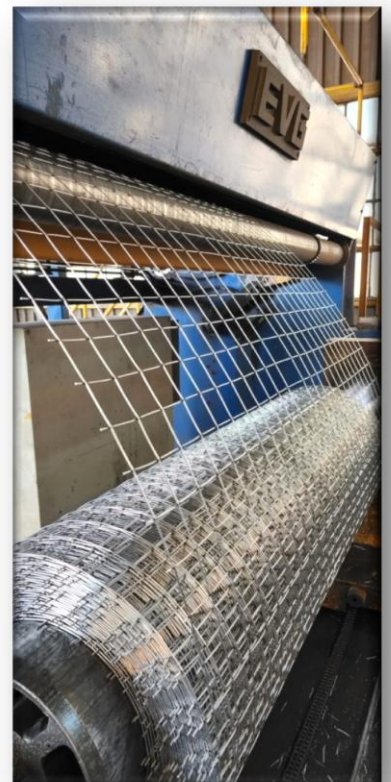

Steeledale Mesh people are positive, courageous, energetic and passionate. It is up to each of us to make each day a good day, for ourselves and our co-workers.

Trust

We strive to build a culture of trust where we all hold ourselves to a high standard of ethics, always acting with honesty and integrity in all our interactions, whether it's with customers or coworkers.

Certificate Number : 21658
